## A word from our manager

### Welcome to the Christmas Newsletter

All our services continue to thrive, thanks to the commitment and dedication of Staff, Trustees and Volunteers.

We have been active this year raising funds supporting all our services and we are well on our way to raising funds to purchase a new minibus, which will hopefully be ready in March 2020.

On a festive note our Volunteer Christmas lunch will be held on Wednesday 4th December—see the enclosed flyer for more information.

On behalf of all at Community Care I would like to wish you a very Merry Christmas and have a Happy New Year.

**Phil Henderson (Manager)**

Just to keep you informed—after a review of our current policy and having regard to our Insurance cover, our Trustees agreed a “retirement” age for our volunteer car drivers when they reach the tender age of 80.

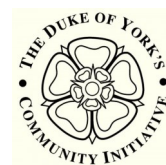

We do of course have other volunteer opportunities on offer! A quick reminder that if you do go to collect a client and get no answer, please ensure you let the office know. We will look into the matter!

Thanks to the members of the Co-op in Richmond, we're delighted to confirm that The Community Care Association will benefit from funds raised by them to the Total sum of £2,705.04.

**Don't forget to spread the word by using our facebook site, if you could ask your family, children, grandchildren, friends etc. to like our page. Find us at sanddcca**

**Thank you**

### ***Duke of York Assessment***

In 2014 we were awarded the Duke of York Community award. This is valid for 5 years, so we were due for renewal this year.

On the 23rd October the Duke of York Assessors visited CCA. They spoke to a number of volunteers and clients—thank you to those who took part, you really added gravitas to our case. They also spoke to the Chair David Sills, the Vice Chair, Caroline Rathmell and to Phil, Sarah and Kate.

Although we will not probably know the results until January/February next year, all the indications are that we will maintain our mark for another 5 years—
