STOKESLEY TRANSPORT SCHEME

What are the aims of the scheme ?

To offer a wide range of transport services for those in the local community who are elderly, disabled or isolated.

How can we help you ?

We aim to offer a door to door service either by bus or car to social activities and day to day appointments.

What geographical area do we cover ?

Stokesley, Great Ayton, Great Broughton, Hutton Rudby, Swainby, Crathorne and all the villages within a 5 mile radius of Stokesley.

How much does it cost ?

A charge is made for the minibus on its regular scheduled runs to cover our costs. The volunteer car scheme has a charge of 45p per mile to cover the cost of the volunteer driver's expenses, plus a booking fee. This is calculated from the volunteer driver's home to the destination and back. There is also an annual subscription fee, payable on your first run. To find out more and to register contact the office.

Bus Service

We provide two fully accessible minibuses. These buses may be hired, within the terms of our licence for the transport of elderly, disabled and infirm people, for a range of services providing they are appropriate to the CCA.

We also run a series of regular local services allowing comfortable mobility to shopping etc. These include Guisborough, Teesside Park, Coulby Newham and Northallerton. From March to December we also offer monthly excursions, half day and full days. Details can be obtained from the office.

To book a minibus please ring **01642 710085**

Volunteer Car Service

Volunteer drivers use their own car to provide transport to hospitals, and medical appointments. We operate a door to door service, particularly useful for clients unable to access public transport.

To find out more or book a car, please ring 01642 710190 giving as much notice as possible.

What else can we do for you ?

We offer a wide range of services; please contact us at the CCA office to discuss our other services or visit our website www.stokesleycca.org.uk
